# ARE YOU THRILLED WITH YOUR SENIOR PORTRAITS?

*"Mike was willing to hike miles into a place that is truly a place Cody loves. Not everyone would do that. Cody's love of nature & the Ancient Lakes is captured in his Senior Portraits & now I get to enjoy him on my wall even after he's off to college."*

~Rene Kamstra, Ephrata

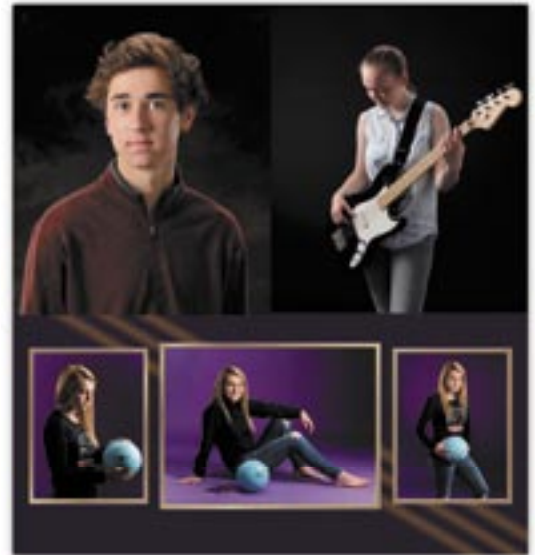

*"RSP works with you - not against you. I am picky, I admit it! They showed me all sorts of fun & creative options with my portraits. I wanted to make sure I got what I wanted & they created just that. I even called them once I got home & told them I was truly grateful for such great work!"*

~Sarah Kaster, Wenatchee HS
